**There were no declarations of interest.**

**Minutes** The minutes of the meeting of 29 January 2008 were approved and signed

**Alcohol exclusion zone** the Licensing Officer was unable to attend the meeting

**Mosquito on mini market** the mosquito is not working. The clerk to check the guarantee and ring Jubb to see if their electricians have checked the mosquito.

**Visit from the Community Police** - Police reported that there have been gangs of youths in the village. Youths were carrying wooden clubs.

There will be a Jag Meeting on 21 February and representatives will raise these matters.

**Lorries in Village** Ian Arundel attended the meeting. There have been further sitings of Lorries in the village. Residents need to report any sitings with as many details as possible. It makes it easy for Ian to deal with the situation. Ian will have a further word with the procurement department.

**Village Hall** the matter has not moved much further forward. The Parish Council is still awaiting information from the Charity Commission before they can move further forward.

The Chairman will look into finding funding for demolition of the hall.

The windows have been boarded up for safety and to prevent vandalism.

The school has not made any suggestions for the future of the Village Hall.

The clerk was asked to contact Water Board and Electricity Board and ask them to disconnect services.

**Wind Farm** Parish Council has been informed that the original paperwork was sent in error.

Parish Council comments are not required

**Planning Application 10 Brigg Lane** – application to erect three storey buildings.

Mrs Hinch wrote to the Parish Council pointing out

1. the boundary on the plans is incorrect
2. loss of light to nearby buildings
3. positioning of bins will cause distress to the neighbours

The Parish Council will object to the application. Pointing out that three storey buildings are not sympathetic to this part of the village.

**Correspondence**
