**Lorries through village** The meeting were able to tell Ian that there had been no Lorries seen in the village since the last meeting. Matters should improve as Ian's boss has spoken to the lorry company on the matter. Ian stressed that any complaints given to the company needed a company name and or a vehicle number.

**Drugs problems near the site** Ian arranged for four loads of manure to be spread along the area in question. He is prepared to arrange for another drop of manure in the future should it become necessary.

James has noticed further evidence of cans of alcohol in the bushes. He believes that workers from WVS are responsible. There could be a Health and Safety issue for the workers involved. The manure could solve this problem.

**Parish Precept:** to be finalised the first meeting in January 2009

**Play Park:** no youths have been seen in the play park at night.

**Planning:**

Sandpit Farm. Single storey extension and garden room. These are new plans the previous plans were rejected by the District Council as unsuitable to the area. The Parish Council did not object.,last time and has no objections to make this time.

16 Mill Lane erection of a conservatory as a replacement for to the old conservatory. No objections.

Planning approval 28 Croftway-extension.

**Camblesforth Parish Council  
In the Chapel Brigg Lane  
Meeting held on 21 October 2008**

Information received revealed that a Village newsletter was the most popular form of contact.

There was a good support for the holding of a fun day.

There was overwhelming support for the introduction of lower speed limits.

Rev.Cundiff asked the Parish Council to pay for the wreath for Remembrance Day.

This was approved by the meeting.

**Christmas light and Christmas tree** clerk was asked to confirm that Paul is still intending to supply the Christmas tree.

**Chestnut tree obscuring light**-the clerk was asked to write to the owners of Chestnut Coppice requesting that they arrange for some of the foliage to be cut back as the tree is blocking the street light.
